Information
as a single manifestation of the contents of a message

decrease

Challenges
- Evaluating Information
- Unknown Information Source/Receiver
- Overflow
- Timing and Distortion

Benefits
- Established Information Paths
- Development Speed Increase
- Knowledge Spreading

call for

Improvements
- Information Filtering
- Information Persisting Manifest
- Accessible Intranet

yield

Reciprocal

Influence

Communication
as a form of humans dynamically exchanging information through various channels.

decrease

Challenges
- Bottlenecks
- Different Perspectives
- Islands
- Geographical Distribution

Benefits
- Transparency
- Reduced Misunderstanding
- Natural Communication

call for

Improvements
- Delegation Ability
- Tight Integration
- Equipment

yield

Reciprocal Influence

Trade-offs
a dynamic model of forces whose balances yield various hindrances in productivity

Organisation

Islands   vs.   Transparent

Trade-off

XFT Empowerment

Responsibility Specialised   vs.   Responsibility Broadened

Trade-off

impacts

XFT Workflow

Static   vs.   Emergent

Trade-off

generates

Productivity Characteristics
- Dependencies
- Unplanned Work
- Unknown Domain
- Information Search
- External Influences
- Technical Environment
- Product Vision
